Seeing With Our Hearts 2026: Mask-querade

Corporate Sponsorship Opportunities

Thursday, October 8, 2026 | Anchorage Museum

About the Evening

Seeing With Our Hearts is the annual fundraiser of the Alaska Center for the Blind and Visually Impaired. The 2026 event takes the form of Mask-querade, an evening at the Anchorage Museum that draws decision-makers from across Alaska's medical, eye care, and business communities. The evening combines an open bar with drinks priced through the night, heavy hors d'oeuvres and food stations through dessert, a silent and live auction, and a program that brings ACBVI's work into clear focus for those new to the Center and those who have stood with us for years.

Why Your Sponsorship Matters

Corporate sponsorships support measurable outcomes in independence, employment readiness, and daily living skills for blind and visually impaired Alaskans. They fund the Youth Transition Program, Low Vision Clinics, residential training, and rural outreach across the state. For more than forty-five years, ACBVI has been the only organization in Alaska providing comprehensive training services for individuals experiencing vision loss. Your partnership keeps that work going.
